Dear students, teachers, and families of Kitsilano Secondary School,

On behalf of the children and families at BC Children's Hospital I would like to thank you for your very generous book donation. We were able to incorporate some of the new books into our collection, and place the rest in the Little Free Library, which is heavily used by patients and families. Your thoughtfulness and generosity have moved us all at the Family Support and Resource Centre.

Children come to our hospital from all parts of British Columbia. As staff and volunteers, we try to ensure that each child's visit to the hospital is as pleasant as possible. Gifts like yours help us put smiles back where they belong.

Thank you once again for sharing with us at BC Children's Hospital.

Our best wishes.

Sincerely,
